CHRISTMAS 2019

Poinsettia Fund-Raising is a great way to raise money for your cause. A beautiful accent in your home or the perfect hostess gift, everyone loves a poinsettia at Christmas!

You may start selling poinsettias early. Our delivery season will begin on November 16th and finish December 14th. There is a 100 plant minimum for fund-raising and to qualify for free delivery. Our poinsettias are available in 4 different sizes. They will come packaged in a decorative potcover and sleeved for protection.

RED, WHITE and PINK are the available poinsettia colours.

***Please note for 2019 there may be a shortage of white in all sizes. Whites will be dispersed on the orders that are sent to us the earliest. We will substitute with Red if necessary.**

Poinsettia sizes are measured by the pot diameter and you may set your own selling prices. Cost and recommended selling prices are listed below.

We will deliver your entire order to one location on the date of your choice. Send in your sign-up sheet early to secure an approximate time slot as they are booked on a first come first served basis. **Please have your order to us no later than November 23rd**. Keep in mind poinsettias are a live plant and substitutions may need to be made in some circumstances. We do ask that plants be delivered to your customers right away as they are required to have the protective sleeve removed within 24 hours. **Poinsettias are also very sensitive to cold. Please do not put plants in an unheated vehicle, trunk or garage.**

We strive for excellent quality and service. If there are any issues, please make any claims immediately and we will do our best to rectify the situation.

Please be aware that our drivers will have a form with them to ensure proper colours, sizes and amounts have been delivered correctly. Once this form has been signed it ensures all items have been received in good order. Please do not sign until all product is counted and verified with our driver.

Thank you and Good Luck!
